

SRCHA 2014 Overall Show Points Tally

By Division

Includes the completed 2014 season shows: Lumsden, Martensville, Melfort, Swift Current, Melfort, Mortlach and Saskatoon.

All points earned in both disciplines are combined here to achieve over-all point standings.

Some horses do not show in both events (or make it to all the shows) and a separate tally is kept by the SRCHA to record points and money earned in each discipline, and also by leading sires and dams. At least half the regular shows must be attended in order to qualify for yearend awards (a 2-day show counts as 2 shows if both are attended), and competitors must have shown in both disciplines (herd work and working cow horse)

Provincial High Point Awards will be presented at the 2014 Annual Meeting

In "horse" Classes, the points go to the horse (under any rider) however money earned is calculated by the rider as well as the horse for future reference.

In "Rider" Classes, the points go to the rider, and are tallied by Horse/Rider combination (to determine Provincial Champion) as well as cumulative total by rider (adding all horses shown by that rider in that division) to determine high point "rider"

To determine High-Point Rider, simply add all points earned by a rider under all horses shown in that division.

Division: OPEN HORSE

Show #	Horse	Rider	No. Shows Attended	Herd Work	Working Cow Horse	Total Points
351	MR Nu Doc Wages	Tanya Klippenstein	8	38	40	78
