

## **SASKATCHEWAN REINED COW HORSE ASSOCIATION (SRCHA)**

### **STALLION INCENTIVE FUND:**

To celebrate the 10<sup>th</sup> anniversary of the Saskatchewan Reined Cow Horse Association in 2014, as well as to celebrate the quality of great cow horse stallions in and around Saskatchewan, the SRCHA has decided to develop their own SRCHA Stallion Incentive Fund to help promote these stallions to more cow horse owners and events throughout the province each year while at the same time allowing offspring from nominated stallions the opportunity to compete for added prize money and recognition.

Stallions are to be nominated, at a fee of \$250 per year, by July 1 of the year that the foals are YEARLINGS and the resulting foals are to be nominated with the program for a fee of \$50 per foal, by December 31 of the year they are yearlings. For the foals to be eligible for nomination, the stallion must be nominated for the year they were born, however each foal must also be individually nominated as well by the owner of the foal at the time of foal-nomination. A certificate will be provided to foal-owner at the time of foal-nomination to be kept/transferred with foal registration papers in the event of sale of foal to indicate eligibility in the SRCHA Stallion Incentive Fund Events to the new owners.

Nominated foals will be eligible to compete as 3, 4 & 5 year olds, at SRCHA Stallion Incentive Fund Futurity & Derby Competition to be held annually in conjunction with the SRCHA Classic Cow Horse Futurity & Derby Show in September of each year. Nomination fees will be set aside into a fund from which prize money will be drawn for each of the Futurity & Derby Classes that the foals from each specific stallion nomination will be eligible for. Prize money will be presented to winning incentive fund foals in each of the incentive fund classes, as well as to the sire of the highest placing incentive fund colt in each class. Stallion Incentive Fund Bridle classes will also be offered to nominated foals, but as a jackpot class only. Without additional money from the Incentive Fund.

Stallion Incentive classes will include both Open & Non-Pro Futurity (3 yr olds) and Open & Non-Pro Derby (4&5 year olds) and will run concurrently with the Open & Non-Pro Futurity & Derby Classes at the annual SRCHA Classic Futurity & Derby competition. This makes nominated foals eligible for added money for 3 full years of competition; however, there will be no cross entry allowed between open & non-pro divisions. Bridle classes both Open and Non-Pro ( 6 + ) will run concurrently with all other Bridle classes at the Classic Futurity and Derby.
