email: jamellheppner@gmail.com

If you are no longer the owner of the foal, please forward this form to the current owner.

SRCHA Stallion Incentive Fund

In 2014 the SRCHA developed the Stallion Incentive Fund to celebrate the quality of stallions in and around Saskatchewan. The objective of the SRCHA SIF is to promote these stallions and their offspring. By making additional money earnings available to the offspring of these stallions, the hope is to draw more interest and recognition to these talented horses.

Program Overview:

The Stallion Incentive Fund is supported by the funds paid by stallion and foal owners for nominations. Stallion owners pay \$250 to nominate their stallion for the designated foaling year, and foal owners pay \$50 to nominate foals by stallions that have already been nominated for their foaling year. Deadlines for each type of nomination are as stated on nomination forms.

Nominated foals (and stallions) are eligible to enter SIF classes at the annual Classic Futurity and Derby. The classes available for entry are: Open Futurity, Non Pro Futurity, Ltd (Rein/Box) Futurity, Open Derby, Non Pro Derby, Ltd (Rein/ Box) Derby, Open Bridle, and Non Pro Bridle (including Intermediate, Limited and Novice classes)

Stallion Incentive Fund classes run concurrently with NRCHA and weekend classes at the Classic Futurity and Derby. The Stallion Incentive Fund earnings are included in Equistat annual earnings reports.
